

# Welcome to Aalto Ale Works

## About Us

Located in the vibrant heart of Helsinki, Aalto Ale Works is a brewery that blends art, design, and brewing excellence. Named after the illustrious Finnish architect and designer, Alvar Aalto, our brewery embodies creativity, innovation, and meticulous attention to detail. Established in 2015, Aalto Ale Works stands as a beacon of contemporary craft brewing, where each beer is a masterpiece, a harmonious blend of form, function, and flavor.

## Our Beers

### 1. Harmony Hefeweizen

- **ABV:** 5.2%
- **Description:** A beautiful balance of banana and clove notes, Harmony Hefeweizen is a light and refreshing wheat beer. Its golden, hazy appearance and delicate carbonation mirror the architectural finesse inherent to each creation of Alvar Aalto, making it a liquid ode to design and balance.

### 2. Blueprint Baltic Porter

- **ABV:** 7.0%
- **Description:** Inspired by the intricate blueprints of Aalto's timeless designs, Blueprint Baltic Porter is rich and complex, with notes of dark fruit, chocolate, and coffee. It's a robust beer that lays out the foundation for a delightful sensory exploration.

### 3. Sculpture Stout

- **ABV:** 6.5%
- **Description:** Sculpture Stout pays homage to the sculptural elements that permeate Aalto's designs. This full-bodied stout presents layers of chocolate, roasted malt, and a hint of dark berry, melding together to form a crafted piece of liquid art.

### 4. Vivid Vienna Lager

- **ABV:** 5.0%
- **Description:** Reflecting Aalto's love for vibrant colors and light, Vivid Vienna Lager is a crystal-clear amber lager with a crisp malt character and a soft hop profile. It's a painting in a pint, a luminous expression of brewing artistry.
