

Welcome to Sauna Stout Brewing Co.

About Us

Bathing in the heart of Tampere, where countless lakes cradle the city's embrace, Sauna Stout Brewing Co. celebrates Finland's rich sauna heritage. Founded in 2019, our brewery takes inspiration from the tranquil steam and aromatic wood of traditional Finnish saunas, creating beers that warm the soul and ignite the spirit.

At Sauna Stout Brewing Co., our beers mirror the soothing and restorative experience of a sauna session, offering a respite from the everyday hustle and an invitation to savor each sip, each flavor, and each moment.

Our Beers

1. Cedar Scented Steam Ale

- **ABV:** 5.4%
- **Description:** Immerse yourself in the delicate notes of cedar, as our Steam Ale envelops your senses with its warm maltiness and subtle hop undertones. Just like a steamy sauna, this ale brings forth relaxation and a gentle embrace.

2. Birch Bark Brown Ale

- **ABV:** 6.1%
- **Description:** Delight in the rustic and earthy tones of Birch Bark Brown Ale, reminiscent of traditional birch sauna whisks. This robust ale features rich malt flavors, a hint of chocolate, and a touch of earthy complexity.

3. Löyly Lager

- **ABV:** 4.8%
- **Description:** Experience the refreshing burst of Löyly Lager, capturing the essence of water thrown onto hot sauna stones. Crisp, light, and invigorating, it's the perfect beer to quench your thirst and cool your senses.

4. Sauna Stone Stout

- **ABV:** 7.0%
- **Description:** Relish in the bold and robust flavors of Sauna Stone Stout, echoing the heated stones that radiate warmth within a sauna. Dark, rich, and full-bodied, this stout boasts notes of roasted malt, coffee, and a whisper of smoky warmth.
